PREFACE

Built over two decades of experience and expertise in bibliographical control, *Indian Books In Print* constitutes an authentic and reliable source of bibliographical information of English language books published in India. As it helps in identification of information about the books published in India, this bibliographical source is of immense reference and research potential. It comes handy to individuals and institutions engaged in research in areas and in subjects relating to the vast subcontinent of India. The first edition of *Indian Books in Print*, covering the period 1952-67, made a modest beginning in 1967. Indian Books in Print 1988 is its ninth edition.

The IBIP data base has also been updated and upgraded by additions, deletions, revision and correction of bibliographical information. Continuous revision of bibliographical information has made it almost a complete, authentic and the only bibliographical source of its kind for librarians, research scholars, booksellers and publishers providing access to the latest bibliographic and ordering information. The current prices have been mentioned and information provided on availability of latest books. It includes all types of books in English language covering all subjects and are available to the book trade and the readers at large. It excludes ephemeral materials pamphlets periodicals, serials, calendars, maps, microforms, audio-visual materials and restricted publications.

Indian Books in Print 1988 is regimented in three volumes. Its coverage goes upto December 1987 listing 285,000 entries. In Volume 1, the arrangement is alphabetical by authors; in Volume 2, the Titles are arranged alphabetically; in Volume 3, the Subjects are arranged according to Dewey Decimal Classification with feature headings. A Directory of Indian Publishers is provided at the end in the third volume. While utmost care has been taken to ensure accuracy, the editor and publisher will not be responsible for any error that may have occured inadvertantly. The Editor solicits suggestions from the users of IBIP for improvement of future editions to make this tool more efficient and user-oriented. Thanks are due to all colleagues and friends whose assistance in multifarious forms have gone to the making of this edition.

The **Indian Books in Print 1988** is in three volumes and lists approximately 95,000 titles available from 2,300 Indian Publishers. Volume I is an author index, arranged alphabetically by authors. Honorific words with the author's name and initial articles, *i.e.*, 'a' 'an' and 'the' in the beginning of a title have been omitted. Example	: SAINI (Mohan Lal) and DATTA (Narinder).

If a book is by more than two authors, the name of the first mentioned author has been used and the word 'etc.' added thereafter.

An entry is made under title if there is no mention of either the author, or editor or compiler. The first two words are given in block letters.

The author index contains entries for each book under the name of personal author, joint author, corporate author, editor, joint editor, compiler, translator.
